DILMAH TEA SELECTIONS

COOKE'S

MENU

BLACK TEA

CEYLON ENGLISH BREAKFAST

A ruby red liquor yields the best of Ceylon in a tea that offers richness, depth and the slightly grassy, bright note of high quality, fresh tea. Neither too strong nor too light, a delicious tea to wake up to, to revive or simply relax with.

AROMATIC EARL GREY

A bold and bright single region Ceylon tea, grown at around 2000ft above sea level and gently fused with Bergamot flavour. The result is a balanced, medium strength tea with the citrus note that is known as Earl Grey.

CEYLON SPICED CHAI

A spectacular profusion of tea with artisanal, Sri Lankan herbs and spices, combining ginger, clove, cinnamon, and lemongrass with turmeric & a hint of pepper in an ayurveda inspired chai.

GREEN TEA

NATURALLY PURE GREEN

Dilmah Pure Green Tea is a gently steamed Ceylon Green tea with the mildly astringent taste typical of fine green teas. A pale-yellow infusion is tinged with olive highlights. A pleasant tea with a lightly sweet finish.

FRAGRANT JASMINE GREEN

An inspiring organic jasmine green tea with bold leaf appearance, combined with petals of natural Jasmine flowers. The liquor produced by this combination is light and gentle; the special fragrance and a touch of sweetness comes from the night blooming Jasmine flower.

HERBAL & FRUIT

PURE PEPPERMINT

Dilmah Peppermint Tea is naturally caffeine free and ideally enjoyed after a meal. The natural peppermint oil in the leaves imparts a menthol aroma and adds sparkle to the infusion, making for a cooling and energising experience.

GENTLE CHAMOMILE

Loose leaf Chamomile is a gentle and relaxing herb enjoyed by many as a tonic for centuries. It has a serene character and wonderful aroma. The daisy-like Chamomile flower, where the subtle flavour is concentrated, has an uplifting aroma reminiscent of apples.

ELDERFLOWER & APPLE INFUSION

Elderflower & Apple Infusion is a naturally caffeine-free loose-leaf infusion offering a delicious apple fragrance and crowd-pleasing flavours. Citrus and green apple complement elderflower and elderberries to produce a fresh, summery infusion.

NATURAL INFUSION OF BLUEBERRY

Blueberries lend their soft, tangy flavours to this intense caffeine-free infusion. A loose-leaf fusion of berry, orange and sweet fruit notes offer a delicious all-natural fruit, herb, and spice flavour combination.

BLOOD ORANGE & EUCALYPTUS

An inspired loose-leaf blend of sweet orange, lemon, and spice in a beautiful ruby red infusion. Strong and tart, the lively fresh berry and orange notes are balanced by the bracing, pungent scent of eucalyptus.
